Terms and Conditions:

- (a) Any data, results, or intellectual property produced during the course of this research shall be considered the property of the university unless otherwise agreed upon in writing. The student shall have the right to be credited as a contributor in any publication or dissemination of the research.
- (b) Should any patentable invention arise from this research, the ownership and sharing of any resulting patents will be governed by the intellectual property policies of the university and applicable laws.
- (c) The student must ensure compliance with all ethical guidelines related to their research. Failure to comply with ethical standards may result in the termination of the assistantship.
- (d) The student agrees to comply with the data protection and privacy policies, ensuring that all data is handled in accordance with applicable laws and guidelines, particularly concerning personal or sensitive information.
- (e) This agreement may be terminated by either party with 14 days written notice. Grounds for termination may include, but are not limited to, failure to perform duties satisfactorily, breach of confidentiality, failure to comply with ethical guidelines, or violation of university policies.
